## **2022 MEN'S SENIORS' OPEN**

### ***Instructions for Interactive Entry Form***

This entry form is an interactive form so you will need some pdf software such as Adobe Acrobat Reader which can be downloaded for free from the web.

If you are using:

- A. PC (Windows 10): there is a default to Microsoft Edge PDF editor which, in the absence of any other PDF software, can be used to edit the form, but you have to manually use Save As when you are finished rather than the "Save" button. Then email the saved file to me after transferring your entry fee, or print it and send with your cheque.
- B. Apple iPad (IOS): download the file and share to Acrobat Reader which you can download for free from the Apple Store. The basic Apple editor doesn't seem to work. Once you have added your entries Save As and share that file to me by email after transferring the entry fee, or print off and send with your cheque.
- C. Smart phone (Android): similar to Apple but your Android default may work. It is better to use free proprietary PDF software if you can.
